Kolkata, West Bengal

EDUCATION

Meghnad Saha Institute of Technology | Kolkata, West Bengal

2024 – 2028

- Bachelor of Technology in Computer Science and Engineering (CGPA: 9.016/10)

Future Campus School | Sonarpur, Kolkata, West Bengal

2024

- Central Board of Secondary Education (Percentage: 87.2%)

Maharishi Vidya Mandir | Kolkata, West Bengal

2022

- Central Board of Secondary Education (Percentage: 87.8%)

EXPERIENCE

Core Committee Member (AI/ML & CDP) | HackerSpace (Coding Community of MSIT)

2024 – Present

- Selected for the AI/ML Team and the Career Development Program (CDP) verticals within the official college coding society.
- Collaborative developer focusing on machine learning foundations, data analytics, and software engineering career preparation frameworks.
- Contributed to internal team sprints, code reviews, and technical workshops aimed at boosting the development culture across campus.

PROJECTS

Automated Column Design Generator (SIH Project)

- Engineered the Django backend for an automated structural engineering web application designed to reconstruct and regenerate precise structural kolom drawings from user-submitted sketches or design images.
- Developed API endpoints bridging front-end systems with core processing algorithms, ensuring low-latency rendering and stable backend communication.

Intelligent Dataset Analyzer & Quality Predictor

- Built a Python-powered data analysis platform that automatically reads datasets, generates structural previews, and profiles dataset quality.
- Integrated Machine Learning models including Regression and Decision Trees to perform predictive checks and flag anomalies or inconsistencies.

SKILLS AND INTERESTS

- Languages: Python, C, SQL
- Libraries & Frameworks: Django, NumPy, Pandas, Matplotlib, Seaborn
- Software & Tools: Git, GitHub, VS Code, Linux (Basics)
- Areas of Interest: Machine Learning, Backend Development, Data Science, Data Analytics, Python Development

ACHIEVEMENTS

Academic Excellence Award(1st Year) | Meghnad Saha Institute of Technology

- Awarded for securing a position among the top academic performers and departmental toppers in Computer Science and Engineering.

Smart India Hackathon (SIH) Participant | Ministry of Education, Govt. of India

- Represented my team and contributed to the Django backend logic for the Kolam Design Generator project.

CERTIFICATIONS

- Data Structures Using Python | Nikhil Bharat Shiksha Parishad
- Python Programming Specialist | Nikhil Bharat Shiksha Parishad
- Power BI Workshop | HackerSpace -Coding Community of MSIT
- Web Development Training Program | Indian Institute of Internship, Kolkata
